save the date

saturday, april 22
Earth Day

Come celebrate nature by volunteering and enjoy activities for the whole family. Please RSVP: pvplc.volunteerhub.com

Guided Hikes & Activities

2nd Saturdays 10 am
Stories, Songs and More for All
Share the joy of storytelling with your children and introduce them to the beauty of the natural surroundings. Your family will enjoy spending time with retired Children's Librarian Carla Sedlacek for stories and activities featuring nature themes, exciting props and songs. If you ask, you may get some free swag! Meet inside the Nature Center. The program is free and open to the public. All ages welcome. No reservations required.

3rd Wednesdays 8:30 am
Special guided bird walk with Wild Birds Unlimited
Explore the birds now making a home in the restored habitat at the preserve. The program is free and open to the public. Binoculars available. All ages welcome. No reservations required.

4th Saturdays 9 am
Join free outdoor guided hikes held year-round
Led by trained naturalists, all walks are family-oriented. Walks are on dirt trails with easy to moderate difficulty. The program is free and open to the public. All ages and dogs on leash welcome. No reservations required.

march 25
SLIME Snails and Slugs
Join Natural History Museum's Jann Vendetti to become a snail and slug citizen scientist.

april 22
Composting 101
Compost to a greener tomorrow with Denise Epport, President of Triformis Corporation.

may 27
Bird Call Introduction
Join experts Jess Morton and Evi Meyer for a presentation on local birds and the sounds they make. Learn to recognize the different species around the preserves by their calls.

june 24
Local Paleo History
Austin Hendy talks about fossils and molluscs. Discover more about the variety of life in the habitats and ecosystems around us.
