

RECOGNITION SITE

The Palos Verdes Peninsula Land Conservancy hosted a dedication event on Feb. 10 to honor the major contributors to the 2009 campaign for the acquisition of the 191-acre Upper Filiorium parcel to complete the Palos Verdes Nature Preserve and to provide restoration activities in areas burned by an August 2009 wildfire. The afternoon tea and dedication ceremony was held at Del Cerro Park in Rancho Palos Verdes with gift bags courtesy of Whole Foods Torrance, tea from Annies Tea and prosecco from La Marca Prosecco. Above, helping to unveil the new recognition site are many supporters, including RPV City Council members Jim Knight and Susan Brooks, and RPV Mayor Pro Tem Brian Campbell.
