2019

boy & girl scout badge opportunities

Earn a Badge with the Conservancy!

Register your Scout group for an enjoyable two-hour activity at George F Canyon Nature Center or White Point Nature Education Center. Our Naturalist will lead your group on a hike through the Preserve, guide them through the Nature Center's hands-on exhibits and provide all the necessary activities and materials required to complete the badge you've selected.

Other Activities for Scouts

Many regularly-scheduled activities support specific badge requirements and/or the overall goals of Scouting. Please make a reservation for your group at least one week in advance so that activities are adequately staffed. All activities (except for the Moonlight Hike) are free.

Conservancy Nature Walks

Scouts are invited to join free public nature walks held at various locations around the Peninsula on the 2nd Saturday of each month at 9 am (unless otherwise specified). For locations and more information, please visit: www.pvplc.org

Nature Films

The *Beauty of Nature Film Series* offers a selection of inspiring nature films over a period of several months that are often suitable for Scouts ages 10 and older. Free tickets for youth (under the age of 18) and adult tickets are available at: www.pvplc.org.

The *Wild and Scenic Film Festival* is a two-hour event offered each January. Scouts and their parents and grandparents often attend this multi-generational event. Ticket are required for all participants and are available online at: www.pvplc.org.

Outdoor Volunteer Days

Scout groups are invited to join fun and educational outdoor volunteer activities at various sites around the Peninsula most Saturdays from 9 am - noon. Sign up at: <https://pvplc.volunteerhub.com>.

Adopt-a-Plot

Scout groups may contribute to the effort to restore native plant landscapes and wildlife habitat on the Peninsula by adopting a quarter acre parcel of land. For more information, contact Volunteer Coordinator Megan Wolff at: mwolff@pvplc.org.

Self-Guided Hikes

There are over 40 miles of hiking trails on the Peninsula which offer a wide variety of walks and experiences, many of which feature spectacular views, native plants and wild flowers, fascinating geology, glimpses of the Peninsula's history, and animal sightings. For a list of best hikes and maps, please visit: www.pvplc.org, Lands
