

PRESERVING LAND AND RESTORING HABITAT FOR THE EDUCATION AND ENJOYMENT OF ALL

Dear Friend,

It's our pleasure to invite you to sponsor the 2017 White Point Home Tour, scheduled for Sunday, September 10. The habitat restoration work progressed greatly this year with beautiful native wildflowers blooming all spring. We are looking forward to celebrating with our many supporters. The Tour is a popular event that features a self-guided tour of distinctive homes in San Pedro and the Palos Verdes Peninsula, followed by a reception with live music and silent auction.

All proceeds from this event support the 102-acre White Point Nature Preserve and Education Center. The preserve fulfills a critical need for open space and urban parkland in our community. The Preserve continues to have increasing numbers of visitors and the Land Conservancy offers educational programs for the community and field trips for local and inner city school children. Although the Paseo del Mar landslide has changed access to the site, the Preserve and Center are open to the public to enjoy nature's wonders.

There are a variety of sponsorships available, many that include event tickets and promotional opportunities. Sponsorship donations benefitting the Palos Verdes Peninsula Land Conservancy are fully tax deductible (Taxpayer ID #33-0309722).

We appreciate your support and hope you will join us as a sponsor. Thank you for your consideration.
