Become a docent!

Are you retired, a former educator or outdoor enthusiast?
Do you enjoy local nature and want to share it with others?

Join us for an orientation to find out about our many volunteer opportunities to:

- help visitors enjoy the exhibits at one of our two nature centers
- assist students with outdoor education field trips
- visit local school classrooms with Junior Naturalist Program lessons
- and much more!

Being a Docent is a wonderful way to help connect youth with the beautiful and unique nature of the Peninsula. You'll have fun and increase your own knowledge in the process!

No experience required, training will be provided.
Volunteers must be at least 18 years old.
