white point nature preserve

Join our community volunteer day and be part of this month of service. Help beautify the demonstration garden surrounding the nature education center by removing invasive weeds and mulching around the native plants.

adopt-a-plot various locations

Contribute to restoring native landscapes on your own schedule. We need help in several locations to combat invasive plants and care for young native plants.

Outdoor Volunteers

Join us for fun and educational volunteer days. All events are 9 am-12 pm unless specified. Reservations required 48 business hours in advance.

Events may be cancelled in event of rain. Closed-toed shoes are required. Long pants, sun protection, water and a snack are suggested.
