

Palos Verdes Peninsula Land Conservancy
invites you to

2016 training workshop wildlife tracking

Citizen Science Volunteer Program

Dedicated volunteers are needed to monitor wild foxes and coyotes in the Palos Verdes Nature Preserve. No experience required and all training provided.

Volunteers will conduct weekly surveys
(weather permitting) November through March

4 days of training are required and will be conducted
on Saturday October 8, 15, 22, and 29th from 8:30am
- 11:30am

A five-month commitment is required for an
assigned preserve area

Minimum age 16

Tasks will include:

- walk a selected section of trail in the preserve
- note and submit observations: scat and paw prints

To sign up visit: <http://pvplc.volunteerhub.com>
