

Palos Verdes Peninsula Land Conservancy

invites you to become an intern

trail intern

**PRESERVE
RESTORE
EDUCATE
ENJOY**

Description

Trail Interns will work under the direction of the Stewardship Manager and Field Operations Specialist to assist with a variety of trail repair and trail maintenance projects. Work will be conducted on the nature preserves and work sites will vary daily. Tasks include data collection, trail engineering, and adaptive management of our 40 miles of trails to promote responsible recreation and patron safety.

Project Leaders

Cris Sarabia,
Stewardship Manager
& Johnny Perez
Field Operations Specialist
