### Project Timeline

- All Scout Award Candidates must submit an application to the Volunteer Program Manager, Lynn Rotunno at: [lrotunno@pvplc.org](mailto:lrotunno@pvplc.org) no less than 120 days before the desired project completion date.
- The Conservancy will respond within three weeks after submission of the application form.
- Submitting an application form does not guarantee that the project will be accepted.
- If the Conservancy can accommodate your proposal, you will be expected to arrange a meeting with your designated staff member within two weeks of acceptance in order to finalize your application.
- The Scout is then responsible for the fundraising and implementation of the project with Conservancy oversight.
- If you have further details (such as work plan, measurements, images, etc.), please attach them.

I have read and understand the project timeline.
